CANDIDATE FOR LA HABRA HEIGHTS COUNTY WATER DISTRICT BOARD OF DIRECTORS

La Habra Heights has been my home for the last 10 years and water is one of the precious resources that add to the great quality of life in our rural community.

EXPERIENCE – I’ve been attending the District’s Board meetings for the last 3 years and through my positive interactions with the Board, I’ve gained valuable insight into the District’s key operational and financial issues. To further enhance my knowledge regarding our community’s water needs, I have toured the District’s groundwater wells, boosters, and reservoirs. I also toured the Diamond Valley Reservoir system, and **attended off site Water Conferences** at UC-Riverside, LA Metropolitan Water District, and the Central Basin Municipal Water District Caucus.

FINANCIALLY VIGILANT – One of my top priorities is to ensure that the District’s operational and capital improvement expenses are properly recognized, monitored, and controlled. In these tough economic times, it is especially important that we hold firm to the District’ Mission Statement – “To provide high quality potable water service at a reasonable cost to the public residing within the District boundaries”.

I appreciate your vote on November 5th – Jacquie
