Re: Public Records Request of April 28, 2014
City File #14-000394

Dear Ms. Lough:

We are in receipt of your public records request, dated April 28, 2014. Your request reads:

"I want to know why I wasn't given any claims filed to the city on the employee "Estrada". I was not given any information on this claim when I did a public request."

Pursuant to Government Code Section 6253(c) this letter shall serve as a formal response to your request and notification that I am the person responsible for the determination of which records are responsive and subject to production.

After review of the relevant law and the City's records we have determined that no claim from the employee "Estrada" was provided to you in response to your previous public records request, City File #14-000130, because Ms. Estrada has never filed a claim against the City of La Habra Heights.

Since there are no public records responsive to your request, File #14-000394 is hereby closed.

Sincerely,

A handwritten signature in blue ink, which appears to be "Sandra K. Studer", is written over a solid black rectangular redaction box.
