The Petition entitled "AN INITIATIVE MEASURE TO PROHIBIT LAND USE FOR NEW OIL AND GAS DEVELOPMENT, INCLUDING HIGH-INTENSITY PETROLEUM OPERATIONS, NEW OIL AND GAS WELLS, AND REACTIVATION OF IDLE WELLS" was filed with the City Clerk Department on October 27, 2014;

That said Petition consists of 35 Sections;

That each Section contains signatures purporting to be signatures of qualified electors of the City of La Habra Heights, California;

That attached to each Section of this Petition at the time I was filed, were affidavits purporting to be the affidavits of the persons who solicited the signatures, and containing the dates between which the purported qualified electors signed these Petition Sections;

That the affiants stated their own qualifications, that they had solicited the signatures upon that Section, that all of the signatures were made in their presence, and that to the best of their own information and belief, each signature to that Section was the genuine signature of the person whose name it purports to be;

That after the proponents filed this Petition and based on the County of Los Angeles Registrar of Voters' records, I have determined the following facts regarding this petition:

1. Total number of signatures filed by proponent - raw count:	514
