

# YES ON MEASURE I

*Trails ⊗ Reclaimed Water ⊗ Revenue ⊗ Fire Safety ⊗ Rural Atmosphere*

September 23, 1993

Dear La Habra Heights Neighbors:

**We Support Measure I** (Powder Canyon Country Club) on the November 2 ballot because it will:

- Provide our city with an extensive public trail system
- Bring reclaimed water to the Heights
- Dedicate a 3 acre parcel to the city to be used as a fire storage facility/staging area
- Generate new property tax revenue for our city
- Increase fire safety on the East side
- Provide \$6.8 million in developer's fees to our city
- Boost our property values
- Restrict commercial development
- Insure a low density, aesthetically pleasing development
- Encourage local membership by giving residents a 20% Country Club discount, and
- Enhance and maintain our city's rural lifestyle

If you feel as we do, that our city's **rural lifestyle** and **economic well-being must be preserved**, than we strongly encourage you to join us and **support Measure I**. Please take a moment to fill out the enclosed card and mail it back to us so that we can add your name to the list of supporters for Measure I!

Thank you for your time and support!

Mayor Diane Kane  
Councilmember George Cooke  
Councilmember Dick Newbre  
Councilmember John Powers  
Mayor Jean Good-Lietzau  
Mayor John Wible, MD.
