Neighborhood Watch is an effective program aimed at keeping crime out of your neighborhood. It relies on the best crime-fighting tool ever invented - a good neighbor. Fortunately, good neighbors are found everywhere.

Neighborhood Crime Watch encourages citizen participation in reducing crime. Residents and law enforcement work together to achieve one common goal – "Making Their Neighborhoods Safe." Residents are taught how to protect their property and report suspicious activities to the police.

Neighborhood Watch also helps build pride and serves as a springboard for efforts that address their community concerns. They also receive important information immediately by email or by social media outlets on any significant crimes occurring near them.
